DESCRIPTION

New Way Monitor.

Choose among 20 different melodies, customise the monitor's settings, record videos and capture images of your visits.

- Intercom: Establish communication with another installed monitor inside the house.
- Playback: After 3 seconds the monitor automatically records a video (in case there is a micro SD Card installed) or a picture (in case there isn't) of the visitors. While answering, you also have the option to manually take a snapshot of your visit. The recorded videos/pictures from the outdoor panel will be played on the screen.
- Settings: Brightness, contrast, selection of melodies, date & time, scene mode (brightly, soft and user), ring volume for day time and night time, language selection (16 different), etc.
- Do not disturb: 1 hour, 8 hours or always.
- Call record: All the calls from panel-to-monitor, monitor-to-monitor and between monitors will be recorded and can be reviewed afterwards.
- Touch screen: Digital TFT colour monitor with capacitive touch screen that facilitates an intuitive use.
