Standard for flame retardancy

- IEC 60332-1-[1,2] (2004-07)

Technical reports

DELTA-N312466-01, DANAK-19J1925

Manufacturer code

1733B

This product has been tested by DELTA EC Cabling Group and complies with the requirements of the above specified standards. Furthermore, it complies with "Terms and conditions for use of the EC VERIFIED marking on generic cabling products", DQP231006. The product takes part in a maintenance of certification schedule, which implies that DELTA EC Cabling performs a quality audit of the manufacturer's production and QA sites. The maintenance testing of the product is performed on a sample basis. For detailed information see www.delta.dk/cable. The certificate is valid until 2 September 2009.
