DESCRIPTION

Video door entry kits are supplied complete, with all the material needed for immediate start-up: outdoor panel, power supply and home monitor.

This kit includes new VIVO Monitor, the in-home terminal to maximize communication, security and comfort through a wide number of functions.

Vivo Monitor sets the new paradigm for the video door phone industry in regards to aesthetics and user friendliness. Operation is performed through a 7 inch capacitive touch screen and two pushbuttons, also with capacitive technology, that allow navigation through a graphic interface conceived for maximum easiness of use.
