

Power relay controller

- VESTA Power Relay Controller
- Automate pool covers, gas and water valves, sprinklers, etc
- SPDT relay output
- It allows integrating relay activation events in other home automation activities
- Ideal for modernizing new or existing homes with minimal wiring
- IP44 grade

Reference / Model

VESTA-140N / PRL-8-F1

Specifications

VESTA Power Relay Controller
 Remotely automate pool covers, gas / water valves or sprinkler systems, etc.
 Provides via radio to any device controllable by a SPDT relay
 RF frequency: F1 868MHz
 Function button allows you to manually turn the relay on / off
 Relay contact and dry contact
 Optimal performance antenna design
 LED status indicator
 Strain relief clamp to secure cables and protect against metal cuts
 Wiring buckle used to manage cables
 Allows relay activation events to be integrated into other home automation activities
 Ideal for modernizing new or existing homes with limited wiring solutions
 Power supply: 100V ~ 240V AC, 50 / 60Hz
 Rated current: 10A
 Operating temperature: -10 ° C ~ + 45 ° C
 Operating humidity up to 85% (non-condensing)
 Degree of protection IP44
 Dimensions: 86 (W) x 72 (H) x 29 mm
